

DO YOUR TASKS. WEAR YOUR MASKS.

Follow all safety measures
when you're in the workplace.

KEEP US STRONGER. WASH HANDS LONGER.

Scrub with soap for at least twenty seconds.

MASK IN PLACE, DON'T TOUCH YOUR FACE.

Viruses easily jump from your hands
to your eyes, nose, and mouth.

TOUCH A SCREEN? KEEP IT CLEAN.

Routinely disinfect objects you touch
a lot, like phones and tablets.

Do it right. Get back to life.
