

## **DO YOUR TASKS. WEAR YOUR MASKS.**

Follow all safety measures  
when you're in the workplace.

## **KEEP US STRONGER. WASH HANDS LONGER.**

Scrub with soap for at least twenty seconds.

## **MASK IN PLACE, DON'T TOUCH YOUR FACE.**

Viruses easily jump from your hands  
to your eyes, nose, and mouth.

## **TOUCH A SCREEN? KEEP IT CLEAN.**

Routinely disinfect objects you touch  
a lot, like phones and tablets.

# Do it right. Get back to life.
